ROBOTICS TEAM

ADVISOR

REMOTE VOLUNTEER
OPPORTUNITY

DETAILS

For 2021, the *FIRST* Robotics Competition program was redesigned with a new **Innovation Challenge** that is done remotely.

Teams are designing an innovative new product and pitching their business case.

YOUR GUIDANCE

High school *FIRST* teams are seeking industry professionals (Team Advisors) to provide feedback on their software/hardware proposed product, business pitch and presentation materials.

YOUR COMMITMENT

Virtually connect with a local high school team in 1-2 meetings with a **total effort estimated of 4 hours** during the 3rd or 4th weeks of February 2021. No *FIRST* experience required.

**SMALL
COMMITMENT.
BIG IMPACT.**
