

NEW  
ROLE

# ROBOTICS TEAM

## ADVISOR

REMOTE VOLUNTEER  
OPPORTUNITY

### DETAILS

---

For 2021, the *FIRST* Robotics Competition program was redesigned with a new **Innovation Challenge** that is done remotely.

Teams are designing an innovative new product and pitching their business case.

### YOUR GUIDANCE

---

High school *FIRST* teams are seeking industry professionals (Team Advisors) to provide feedback on their software/hardware proposed product, business pitch and presentation materials.

### YOUR COMMITMENT

---

Virtually connect with a local high school team in 1-2 meetings with a **total effort estimated of 4 hours** mid-Feb to mid-Mar. No *FIRST* experience required.

**SMALL  
COMMITMENT.  
BIG IMPACT.**
