HOW CAN YOU HELP?

- Team Growth
- Funding
- Volunteers
- Venues

TEAM GROWTH

How do we participate?

1. **Introduce** your Regional Director to a school or group that did not participate in FRC in the 2023-24 season.
2. **Offer support** as necessary to help the new team join the program.
3. **Mentor** the new team during their first 2 years

Why would we want to do this?

- Recognition as a SuperStarter at all *FIRST* California FRC Regionals.
- Receive a SuperStarter digital badge and certificate
- Enhancing your Impact Award submission.

FUNDING

In order to grow teams, we also need to grow financial support in the Region:

- **Introduce us to potential Region sponsors**
 - companies, organizations, foundations, individuals
- **Spread the word through Associations you are members of: ex - ASME, SWE, IEEE, SHPE**
 - Invite your Regional Director to speak

HOW TO VOLUNTEER >

VOLUNTEERS

Regionals are successful due to volunteers - we need approximately 100 volunteers per Regional.

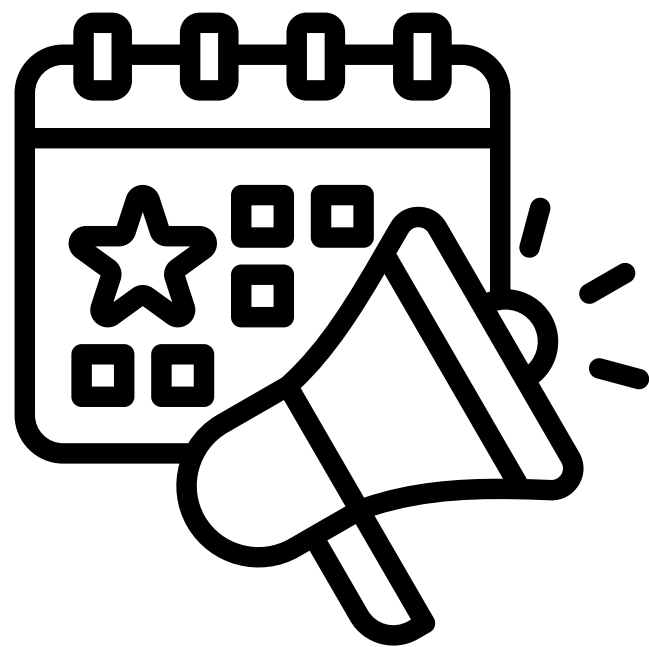

- **Encourage the parents on your team to volunteer** (or family, friends, mentors)
- **Invite employees** at your workplace to volunteer at an FRC Regional.
- **Dollars for Doers:** Many companies offer a corporate giving program that matches your volunteer hours with monetary donations.

The logo for First Dive Volunteers is centered within a white circle. It features the word "FIRST" in a small, bold, black sans-serif font. Below it, the word "DIVE" is written in a large, bold, blue sans-serif font. Underneath "DIVE", the word "VOLUNTEERS" is written in a smaller, bold, teal sans-serif font. A small "SM" trademark symbol is located to the right of "DIVE".

- **Let us know about potential venues for Regional Events or Off-Season events**
 - Example:
 - Schools that have 2 gyms (1 for field/spectators and 1 for pits)
 - Schools that have 1 gym and another location for pits
 - Other low-cost venues (ex: The Port of Hueneme)

Coined by Dr. Woodie Flowers, **Gracious Professionalism** is part of the ethos of *FIRST*. It's a way of doing things that encourages high-quality work, emphasizes the value of others, and respects individuals and the community.
