

# Women in STEM Panel & “Behind the Scenes” Tour

presented by

**Raytheon**

Join the conversation  
**#FIRSTLikeaGirl**

Friday, March 6, 2020

11 a.m. – 1:45 p.m.

Raytheon Space and Airborne Systems

2000 E. El Segundo Blvd

(Meet at Da Vinci’s entrance to walk to Raytheon)

**Must pre-register online. See details below.**

Calling all female robotics students! Find out what it’s like to be a woman working in STEM.

Join us for an interactive panel featuring a diverse group of women from Raytheon and L.A. Air Force Base as they share their personal and professional journeys and experiences.

Following the panel, you will get a special “behind-the-scenes” tour of our aerospace labs as engineers talk about what they do and why it matters.

This is a great opportunity to learn about STEM-related careers and how to architect your future career.

**DETAILS:**

- Must pre-register by Thursday, Feb. 27, at this link: <http://www.cvent.com/d/rnq9qf/4W>
- Open to U.S. citizens only due to government export controlled restrictions.
- Parents must register for students under 18 years old.
- Photo ID required (driver’s license or student ID card)
- Space is limited – open to 100 girls and 20 mentors/chaperones. Everyone must register.
- Meet at Da Vinci Science High School front entrance at 11 a.m. for group walk to Raytheon. Group will return together at 1:45 p.m.
