FIRST Robotics Competition – OC Regional
Thu 3/9 – Sun 3/12/23
OC Fair & Event Center

- Enter via **Gate 8** (approx. 905 Arlington Drive) and make your way to **Parking Lot I.** The "field" is inside **The Hangar (B18)**, and the "pit" is inside the **Anaheim Building (B16)**. Entry through any other Gate may not provide immediate access to these buildings.
- As a reminder, you may set up your pit area during this load-in period but you may not work on your robots during this time. Only five members from each team may enter the venue during load-in, and one of them must be an adult mentor. You must also wear safety glasses to enter.
- You may encounter move-in and event activity from a nearby bridal show. Please be respectful of all visitors to the grounds.
- 24hr Security Office – 714-708-1588
