

Start a Team

CHALLENGE

FIRST® *LEGO*® League Challenge teams of children ages 9-16* engage in research, problem solving, coding, and engineering – building and programming a *LEGO*® Education SPIKE™ Prime or *LEGO MINDSTORMS*® robot that navigates the missions of a robot game. They also design an innovative solution to a real-world problem relevant to the theme. *Ages vary by country

FIRST[®] Championship

FIRST is a robotics community that prepares young people for the future.

FIRST is the world's leading youth-serving nonprofit advancing STEM education. Through a suite of inclusive, team-based robotics programs for ages 4-18, FIRST has a proven impact on learning, interest, and skill-building inside and outside of the classroom, creating the people who will change the world – today and tomorrow.

FIRST[®] LEGO[®] League is the result of an exciting alliance between FIRST[®] and the LEGO[®] Group.
